Isha Ramita

Actor

Ethnicity: European Indian

Height: 5' 1" / 156cm

Eye Colour: Brown

Hair Colour: Black

Location: Auckland

Background

Isha, a recent graduate of Toi Whakaari (2022), brings a unique perspective shaped by her experiences as a South Asian woman. Her journey through life has highlighted the lack of positive representation for individuals like her in the media, fueling her passion for change. As an artist and actor, Isha is committed to creating art that resonates with and serves her community, aspiring to embody the representation she longed for in her youth.

While deeply connected to her heritage, Isha is eager to explore a diverse array of roles that extend beyond cultural confines. She believes in her ability to portray a wide spectrum of characters and is driven by a profound love for storytelling. Her goal is to be a conduit for varied narratives through her acting.
