Annabelle is a passionate young actor from Wellington who is currently training in both theatre and screen. She has played many roles in numerous primary school productions and is also a fantastic young singer. A talented writer, her work has been published in *Toi Toi*, and she plays the piano with skill and heart. Annabelle also has a deep love for kapa haka. Okay, we might be showing off a little—but with such a multi-talented young performer, we can't help it! We're proud to represent Annabelle here at TMH.
