## Background

Heimiti is a French-born actress with Polynesian roots, raised between France and New Zealand. Her multicultural upbringing gives her a naturally international presence and a deep connection to storytelling.

She began her acting journey after moving to New Zealand, enrolling in theatre school in 2011 to learn English. Within a year, she landed the role of the Wicked Witch of the West, marking the start of her professional acting career.

Since then, Heimiti has appeared in a range of productions and television commercials. She is currently co-writing and starring in the horror short film *Hide & Seek*, set for release in 2026.

Heimiti is drawn to stories that build immersive worlds that invite audiences to dream bigger.
